

The New Jersey Do Not Call list as you know is one of the most stringent in the country and I believe it should be embraced Federally. Telemarketers are a burden to everyone (I know as I used to be a telemarketer). They invade your privacy, call at all hours of the day and night, 7 days a week. Call blocking, annonymous and unlisted phone numbers, every trick in the book hasn't worked EXCEPT the Do Not Call list! STOP TELEMARKETERS NOW! Thank you in advance for your time.
